The Screen Door Pull-Up Shade attaches to the door and moves with the door for ease of exiting/entering.

To determine what Screen Door Pull-Up Shade style you need, look at the examples below and pick out the style that best matches the frame on your screen door and write that letter in the form below. Example: If your screen door frame shape is style A, you would write style "A" on the form below.

* Note: The lower shaded area in style F can not be covered by the shade.

Pull-Up Door Shade will not work on any motorhome where the dash extends past the door when in the closed position.

Measuring Instructions

Measure width with door closed

- Measure the **outside** of the **frame** to the **outside** of the **frame** for the above indicated areas (1-4) of the screen door.
